# ROBOTISERING OG AUTOMATISERING

A blue-tinted image showing a robotic hand with multiple fingers typing on a computer keyboard. The hand is positioned over the keyboard, with its fingers pressing down on several keys. The background is a blurred view of the keyboard and other computer components, creating a sense of depth and focus on the robotic hand.

A hand in a blue shirt sleeve holds a glowing paragraph symbol (¶) within a circular frame. The background is a dark blue digital network with glowing nodes and lines. Several other glowing paragraph symbols are scattered throughout the scene, some within circular frames and others as larger, more prominent symbols. A large, semi-transparent paragraph symbol is positioned on the right side of the image. A horizontal white bar with a grey gradient is centered across the image, containing the text 'REGELVERKET ENDRES'.

# DIGITALISERING OG KUNSTIG INTELLIGENS

The background of the slide is filled with a dense crowd of colorful silhouettes of people. The silhouettes are in various colors including red, orange, yellow, green, blue, pink, and purple. They represent a diverse group of individuals, with some showing distinct hairstyles and features, suggesting a mix of ages and ethnicities. A semi-transparent white banner is overlaid across the middle of the image, containing the main text.

# SAMARBEID OG SAMSPILL

” Technology is nothing.  
What's important is that  
you have a faith in people,  
that they're basically good  
and smart, and if you give  
them tools, they'll do  
wonderful things with them.
